

100 CLASSIC BIBLICAL PRAYERS

AND

100 DECLARATIONS FOR YOUR HUSBAND

Introduction:

Prayer is one of the most powerful, transformative gifts a wife can offer her husband. As helpmeets (Genesis 2:18), we are divinely positioned to intercede for them in alignment with God's Word. Praying for our husbands is not just a spiritual duty, it is a ministry of love, protection, and empowerment.

Biblical Justification

The Bible commands believers to “pray without ceasing” (1 Thessalonians 5:17), and as wives, we are uniquely called to stand in the gap for our husbands. Proverbs 31:11-12 speaks of a wife whose husband safely trusts her, and part of earning that trust is covering him in prayer.

Expected Outcomes of Prayer

- **Spiritual growth** and intimacy with God.
- **Divine protection** and discernment.
- **Peace, joy, and emotional health.**
- **Wisdom and success** in decision-making and business.
- **Health, strength, and healing.**
- **Deeper marital unity** and communication.
- **Promotion, favor, and open doors.**

Biblical Examples of Women Who Prayed

- **Hannah** (1 Samuel 1–2): Though she prayed for a son, her story teaches the power of fervent, persistent prayer that changes generations.
- **Abigail** (1 Samuel 25): Her wise intercession protected her household and earned David’s respect.
- **Esther** (Esther 4): Though she fasted and prayed for her people, her faith and bravery protected her king and her nation.

Modern Testimonies

Many women today testify how prayers transformed their marriages and husbands:

- A wife who prayed through Proverbs for her husband daily saw him freed from addiction.
- Another who committed to midnight intercession for her husband's business saw break-throughs in finances and sudden contracts that came to the lap of the husband suddenly.
- A testimony of a woman who prayed Psalm 91 over her husband daily and saw him miraculously protected during a near-death car accident.
- Families have been delivered and marriages restored because of the faithful prayers of many women I have encountered over the years.
- Men have turned back from their evil ways, because a wife believed beyond doubt that God was going to change her Husband.

In my own personal life, I had testified severally about how God has intervened in the life of my husband, through my prayer interventions, over the years and how we have encountered Him in our Spiritual work, material life and financial through times and season. We are indeed a reference point for his grace. Not that we have overcome every hurdle or issues we have had, but we have basically been carried by God through consistent storms and sudden mishaps or mistakes and when I look back I think of the numerous times the Holy Spirit has helped me to pray for my husband.
