

125 PRAYERS POINTS AND BIBLICAL REFERENCES

FOR A MOTHER ON THE GO

Introduction

A mother's prayer is one of the most powerful forces on earth. It transcends time, distances, and circumstances. Throughout Scripture, we see women who wept, interceded, and travailed in the place of prayer, and God moved. A praying mother is a weapon against darkness and a bridge between her children and divine intervention.

From Hannah who cried out to God for a son, to the Shunammite woman who refused to give up when her child died, to Mary who pondered the destiny of her Son in her heart—these women shaped destinies through prayer. You, too, can cover every aspect of your child's life, calling forth heaven's will on earth.
