You Were Made to Stand Out

In a world screaming for attention, it's tempting to blend in, to talk, dress, act, and live like everyone else. But the truth is, **you weren't made to fit in, you were created to stand out.**

Romans 12:2 says, *“Do not conform to the pattern of this world, but be transformed by the renewing of your mind.”* That means we're not here to copy the crowd. We're here to lead, influence, and inspire.

The pressure to be “cool” can crush your true identity. But being “cool” fades, **being real lasts.** God wants you to be bold about your faith, courageous in your choices, and confident in your calling.

Don't let fear of being different rob you of being authentic. You were made to be a light, and lights don't hide in the dark. They shine.

So let your light shine in your school, your family, your friend group. Don't dim your light to make others comfortable. Be who God called you to be. The world needs your kind of different.
