God's Got Plans for You

Have you ever wondered if your life really matters? If there's something more than just waking up, going to school, dealing with drama, and trying not to mess up? Hear this: **God has a plan for your life. A real one. A good one. A big one.**

Jeremiah 29:11 says, *“For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future.”*

You're not just drifting. You're being led. Even when you don't understand everything around you, God is writing a beautiful story—one where you're the main character and He's the Author.

Your dreams matter. Your ideas matter. Your life matters. The things you're passionate about aren't random—they're clues to your calling.

So even if it's tough right now, hold on. You're in God's hands, not life's hands. And His hands never drop what they carry.
