Your Voice Matters

Maybe you've been told to keep quiet. Maybe people talk over you, ignore your ideas, or laugh when you share your dreams. But guess what? **Your voice matters. God gave it to you for a reason.**

Proverbs 18:21 reminds us, *"The tongue has the power of life and death."* That means your words can bring healing, hope, creativity, and change. You don't have to be the loudest to be powerful. Just be **true**.

Speak up for what's right. Encourage someone who's hurting. Pray out loud. Say "no" to pressure. Say "yes" to your calling. When you speak with love, boldness, and truth, things begin to shift.

Don't let silence be your story. Let your voice carry life. You have something to say. So say it.
