

Youth on Purpose Prayer Program

Theme: Burning Bright in a Dim World

Theme Verse: 1 Timothy 4:12

INTRODUCTION

Young people today face identity confusion, moral pressure, peer expectations, mental health struggles, family instability, and fear of the future. Yet, God still calls them vessels of fire, revival, purpose, and light in this generation.

Even now, **God calls youths as Vessels of Fire, Light in Darkness, Carriers of Purpose, Seed of Revival in This Generation**

These prayers and declarations are designed to bring clarity, healing, boldness, and vision to youths who choose to stand tall for Christ irrespective of their present state of mind.

Please print this out for yourself if you are a Youth, and if you are an adult please send this to your child, mentee, nephew, niece or any young person in your life who is trying to work it out in a world that often confuses more than it clarifies. Encourage them to carry these words and go along with these prayer points wherever they go, on the bus, to class, to work, or during quiet time.

May God bless our youths, strengthen their hearts, and uphold them by His Spirit as they learn to pray, walk in truth, and yield to His divine purpose.
